 - Promo pricing should not go through Project registration. This is an instant discount.
3. The integrator discount price is \$167 which is 68% off MSRP.
4. POs should be received between 2/14/20 and 6/30/20.
5. POs received after 6/30/20 will be at normal discount levels or registration pricing.
6. No ship and debit, cost deviation, or other crediting process will be accepted. All discounts must be applied upon submission of the purchase order.
