Contact your local sales representative to begin the process.

Quick and Easy Steps for Try and Buy:

1. Register or reference the project via the Arecont Vision website and note "TRY and BUY" within the Summary of Project field. Limit one (1) TRY and BUY unit per product family per project.²
2. If the user is not satisfied, the unit can be returned for a full refund by calling the Arecont Vision inside sales rep.³
3. Arecont Vision Costar can end the promotion at any time.

¹ Mounting accessories may be required for an additional price.

² Special pricing via project registration only! Must identify "TRY and BUY" within the Summary of Project field of the Project Registration. Offer Valid for one (1) unit per project. Can not be combined with any other offer. All prices in USD and do not include any applicable shipping and handling costs. Any accessories must be noted as part of the TRY and BUY to be eligible for return under same terms and conditions.

³ In the event a return is required, contact an Arecont Vision inside sales representative at 1.818.937.0700 ext 3 to return the camera and any accessories. Try and Buy returns must be processed within 60-days from the shipping date for a full refund.
